

An aerial photograph of a coastal region. In the top left, there is a dark blue body of water. The land is a mix of brown, tan, and green patches, indicating different types of terrain and vegetation. A yellow, irregularly shaped polygon highlights a specific land parcel on a hilltop. A road or path is visible winding through the landscape. In the top left corner, there is a black box with the white text 'L502'.

L502

Hilltop land with panoramic sea view

€75,000

Land parcel 3,847 m², on the top of “Gerontas” hill at an elevation of 170m, in agricultural planning zone (Γα4) with building factor 10%, cover factor 10%, max. 2 floors, max height 7 m. This unique position offers an absolutely unobstructed, panoramic sea view, stretching across the entire east Limassol beachfront and coastline. The land currently has no access to public road (enclosed).

Area

 **3847 m²**
